The Shareholders' Meeting, voting in accordance with quorum and majority rules for Ordinary Shareholders' Meetings, and having read the Board of Directors' and the Statutory auditors' reports, approves the Company financial statements for the year ended December 31, 2021, showing net profit for the year of €627,915,613.35, as presented, and the transactions recorded therein and summarized in these reports.

**Appropriation of earnings and setting of the dividend**

The Shareholders' Meeting, voting in accordance with quorum and majority rules for Ordinary Shareholders' Meetings, approves the recommendations of the Board of Directors to appropriate the net profit for the year ended December 31, 2021 as follows:

•	Net profit for the year	€627,915,613.35
•	No funding of the legal reserve as already fully funded	
	i.e. a balance of:	€627,915,613.35
•	Retained earnings of previous years:	€5,829,311,663.80
	i.e. distributable earnings:	€6,457,227,277.15
•	allocated to:	
-	payment of a dividend of €2.40 per share	€413,739,657.60 <sup>(1)</sup>
-	retained earnings for the balance:	€6,043,487,619.55
	giving a total of:	€6,457,227,277.15

*(1) The total amount of the distribution is calculated based on the number of shares ranking for dividends at December 31, 2021 and could therefore change if this number varies between January 1, 2022 and the ex-dividend date.*

It should be noted that the dividend, set at €2.40 for each of the shares bearing dividend rights on January 1, 2022, will be fully eligible for the 40% tax rebate referred to in Article 158.3.2° of the French Tax Code (*Code général des impôts*) for private individuals tax-resident in France where an express, global and irrevocable election is made for taxation under the progressive scale of personal income tax instead of application of the single flat-rate deduction.

The ex-dividend date will be June 1, 2022 and the dividend will be payable from June 3, 2022. If, at the time of payment of the dividend, the number of treasury shares held by the Company has changed compared to that held on December 31, 2021, the fraction of the dividend relating to this variation will either increase or reduce retained earnings.

Pursuant to Article 243 *bis* of the French Tax Code, it is recalled that the following amounts were paid in respect of the past three fiscal years:

	<b>Dividend distribution<sup>(1)</sup> (in euros)</b>	<b>Distributed income<sup>(2)</sup> (in euros)</b>	<b>Dividend per share (in euros)</b>
Fiscal year 2020	329,130,432.15	328,497,563.55	1.95
Fiscal year 2019	228,616,423.65	225,689,958.45	1.35
Fiscal year 2018	284,399,341.00	281,199,101.20	1.70

*(1) Theoretical values calculated based on the number of shares bearing dividend rights on December 31 each year.*

*(2) Amounts effectively paid after adjusting the number of shares bearing dividend rights for any change in the number of treasury shares, the issuance of new shares and/or the cancellation of existing shares between January 1 and the ex-dividend date. In fiscal years 2018, 2019 and 2020, these amounts were only fully eligible for the 40% tax rebate referred to in Article 158.3.2° of the French Tax Code (*Code général des impôts*) when the beneficiary was a private individual tax-resident in France and had opted for taxation at the progressive income tax scale instead of application of the single flat-rate deduction.*

Such securities may be issued in particular as consideration for securities meeting the conditions laid down in Article L. 22-10-54 of the French Commercial Code that may be contributed to the Company in connection with a public exchange offer initiated by the Company in France or abroad under local rules (for example in connection with a "reverse merger" or a "scheme of arrangement");
2. delegates to the Board of Directors, with the power of sub-delegation to the extent authorized by law, its authority to decide issues of shares and/or securities granting access, directly or indirectly, to the Company's share capital to be carried out further to the issue, by companies in which the Company directly or indirectly owns more than half the share capital, of securities granting access to the Company's share capital.

  - added to these ceilings will be the par value amount of any shares to be issued to preserve, in accordance with legal and regulatory provisions and, where applicable, any contractual

    - the issue price of securities granting access to the share capital, immediately or in the future, and the number of shares to which conversion, redemption or more generally transformation of each security granting access to the share capital would confer entitlement, will be such

that the amount received immediately by the Company plus any amount to be received subsequently by the Company will, for each share issued as a consequence of the issue of such securities, be at least equal to the minimum subscription price defined in the previous paragraph;

9. resolves that the Board of Directors shall have full powers, with the power of sub-delegation to the extent authorized by law, to implement this delegation of authority, and in particular to:

where applicable, of the rights of holders of securities or other rights granting access to the share capital (including by means of cash adjustments);

- duly record completion of each share capital increase and make the corresponding amendments to the bylaws;

#### TWENTY-EIGHTH RESOLUTION

**Authorization to the Board of Directors, for a period of eighteen months, to grant performance shares, existing or to be issued, to employees and corporate officers of the Company and its French and non-French subsidiaries, up to a maximum of 1.2% of the Company's share capital (with, in the case of shares to be issued, the waiver by shareholders of their pre-emptive subscription rights in favor of the beneficiaries of the grants)**

In accordance with Articles L. 225-197- 1 *et seq.* and L. 22-10-59 *et seq.* of the French Commercial Code, the Shareholders' Meeting, voting in accordance with quorum and majority rules for Extraordinary Shareholders' Meetings, having read the Board of Directors' report and the Statutory auditors' special report:

1. authorizes the Board of Directors, with the power of sub-delegation to the extent authorized by law - subject to the attainment of the performance targets defined and implemented in accordance with this resolution and for a total number of shares not exceeding 1.2% of the share capital at the date of the decision (this maximum number of shares being referred to hereafter by the letter "N") - to grant shares of the Company (existing or to be issued), to employees of the Company and employees and corporate officers of its French and non-French subsidiaries related to the Company within the meaning of Article 225-197-2 of the French Commercial Code (the "Group"), it being stipulated that this maximum number of shares, existing or to be issued, does not take into account the number of additional shares that may be granted due to an adjustment to the number of shares initially granted following a transaction in the Company's share capital;
2. resolves that for up to a maximum of 10% of "N", these performance shares may also be granted, in accordance with applicable laws, to the Executive Corporate Officers of the Company, it being stipulated that in this case, the Board of Directors will, in accordance with applicable laws, decide the portion of shares that must be held by each individual until the end of their term of office;
3. resolves that these performance shares will only vest at the end of a vesting period (the "Vesting Period") of at least three years, it being stipulated that the Board of Directors may introduce, where applicable, a lock-in period following the vesting of the shares the duration of which may vary depending on the country of tax residence of the beneficiary; in those countries where a lock-in period is applied it will be of a minimum period of one year.

However, the shares will vest before the expiry of the above periods and may be freely sold in the event of the death or incapacity of the beneficiary, corresponding to a Category 2 or 3 disability in France, as defined in Article L. 341-4 of the French Social Security Code;

4. resolves, subject to the powers conferred on the Board of Directors by law and this resolution, that the exact number of shares vesting to Executive Corporate Officers (Chairman and Chief Executive Officer, Chief Executive Officer and Chief Operating Officers), members of the general management team (Executive Committee) and key executive managers of the Group at the end of the Vesting Period, compared with the total number of shares ("Initial Grant") indicated in the grant notice sent to beneficiaries will be equal to:
  - i. for 35%, the number of shares of the Initial Grant multiplied by the percentage attainment of the chosen external performance target, it being stipulated that:
    - the performance target to be met in order for the shares to vest will be the performance of the Capgemini share measured over a minimum three-year period compared to the average performance, measured over the same period, of a basket containing at least five shares of listed companies operating in the same sector as the Group in a minimum of five countries in which the Group is firmly established (France, the United States, etc.),

- this relative performance will be measured by comparing the stock market performance of the Capgemini share with the average share price performance of the basket over the same period according to objectives set by the Board of Directors (it being stipulated that no shares will vest in respect of shares subject to this external performance target, if, over the calculation reference period, the performance of the Capgemini share is less than 100% of the average performance of the basket measured over the same period);
- ii. for 50%, the number of shares of the Initial Grant multiplied by the percentage attainment of the chosen internal financial performance target based on organic free cash flow, it being stipulated that:
- the performance target to be met in order for the shares to vest will be the amount of audited and published organic free cash flow for the three-year cumulative period from January 1, 2022 to December 31, 2024, excluding Group payments to make up the shortfall on its defined benefit pension funds, it being understood that organic free cash flow is defined as cash flow from operations less acquisitions (net of disposals) of intangible assets and property, plant and equipment, adjusted for flows relating to the net interest cost (as presented in the consolidated statement of cash flow),
  - this relative performance will be measured according to objectives set by the Board of Directors;
- iii. for 15%, the number of shares of the Initial Grant multiplied by the percentage attainment of the chosen Corporate Social and Environmental performance target based on Group objectives, it being stipulated that the performance target to be met in order for the shares to vest will be measured according to objectives set by the Board of Directors;
5. resolves, subject to the powers conferred on the Board of Directors by law and this resolution, that the exact number of shares vesting to beneficiaries other than those referred to in paragraph 4 above, at the end of the Vesting Period, compared with the total number of shares ("Initial Grant") indicated in the grant notice sent to beneficiaries will be equal to:
- i. for 15%, the number of shares of the Initial Grant multiplied by the percentage attainment of the chosen external performance target, it being stipulated that:
- the performance target to be met in order for the shares to vest will be the performance of the Capgemini share measured over a minimum three-year period compared to the average performance, measured over the same period, of a basket containing at least five shares of listed companies operating in the same sector as the Group in a minimum of five countries in which the Group is firmly established (France, the United States, etc.),
  - this relative performance will be measured by comparing the stock market performance of the Capgemini share with the average share price performance of the basket over the same period according to objectives set by the Board of Directors (it being stipulated that no shares will vest in respect of shares subject to this external performance target, if, over the calculation reference period, the performance of the Capgemini share is less than 100% of the average performance of the basket measured over the same period);
- ii. for 70%, the number of shares of the Initial Grant multiplied by the percentage attainment of the chosen internal financial performance target based on organic free cash flow, it being stipulated that:
- the performance target to be met in order for the shares to vest will be the amount of audited and published organic free cash flow for the three-year cumulative period from January 1, 2022 to December 31, 2024, excluding Group payments to make up the shortfall on its defined benefit pension funds, it being understood that organic free cash flow is defined as cash flow from operations less acquisitions (net of disposals) of intangible assets and property, plant and equipment, adjusted for flows relating to the net interest cost (as presented in the consolidated statement of cash flow),
  - this relative performance will be measured according to objectives set by the Board of Directors;

- iii. for 15%, the number of shares of the Initial Grant multiplied by the percentage attainment of the chosen Corporate Social and Environmental performance target based on Group objectives, it being stipulated that the performance target to be met in order for the shares to vest will be measured according to objectives set by the Board of Directors;
6. resolves that by exception, and for an amount not exceeding 15% of "N", shares may be granted to employees of the Company and its French subsidiaries (within the meaning, particularly, of Article L. 22-10-60, paragraph 1, of the French Commercial Code) and non-French subsidiaries, excluding members of the general management team (the Executive Committee) without performance conditions;
7. takes due note that this authorization involves the waiver by shareholders of their pre-emptive subscription rights in favor of beneficiaries of performance shares if the grant concerns shares to be issued;
8. takes due note that, pursuant to the law, the Board of Directors has the power, by way of a duly reasoned decision made after this decision, to amend the performance conditions set out in paragraphs 4 and 5 above and/or the weighting between said performance conditions when deemed appropriate;
9. confers powers on the Board of Directors to implement this authorization (with the power of sub-delegation to the extent authorized by law), and in particular to:
- set the share grant date,
  - draw up one or more list(s) of beneficiaries and the number of shares granted to each beneficiary,
  - set the share grant terms and conditions, including with respect to performance conditions,
  - determine whether the shares granted for nil consideration are existing shares or shares to be issued and, where applicable, amend this choice before the vesting of shares,
  - decide, in the event that transactions are carried out before the shares vest that affect the Company's equity, whether to adjust the number of the shares granted in order to preserve the rights of the beneficiaries and, if so, to define the terms and conditions of such adjustment; it is stipulated that shares granted pursuant to these adjustments shall be considered granted on the same day as the shares initially granted.
  - perform, where the grants concern shares to be issued, the necessary share capital increases by capitalization of reserves or additional paid-in capital of the Company when the shares ultimately vest, set the dates from which shares bear dividend rights, deduct from reserves or additional paid-in capital of the Company the amounts necessary to increase the legal reserve to 10% of the new share capital amount following these share capital increases and amend the bylaws accordingly,
  - carry out all formalities and, more generally, to do whatever is necessary;
10. takes due note that, in the event the Board of Directors uses this authorization, it will inform the Shareholders' Meeting each year of the grants performed pursuant to this resolution, in accordance with Article L. 225-197-4 of the French Commercial Code;
11. resolves that this authorization is granted for a period of eighteen months as from the date of this Shareholders' Meeting and supersedes from this date, in the amount of any unused portion, the delegation granted by the 18<sup>th</sup> resolution adopted by the Shareholders' Meeting of May 20, 2021.
