DRAFT RESOLUTIONS

I RESOLUTIONS PRESENTED AT THE ORDINARY SHAREHOLDERS' MEETING
--

FIRST RESOLUTION

Approval of the 2022 Company financial statements

The Shareholders' Meeting, voting in accordance with quorum and majority rules for Ordinary Shareholders' Meetings, and having read the Board of Directors' and the Statutory auditors' reports, approves the Company financial statements for the year ended December 31, 2022, showing net profit for the year of €429,792,134.41, as presented, and the transactions recorded therein and summarized in these reports.

SECOND RESOLUTION

Approval of the 2022 consolidated financial statements

The Shareholders' Meeting, voting in accordance with quorum and majority rules for Ordinary Shareholders' Meetings and having read the Board of Directors' and the Statutory auditors' reports, approves the consolidated financial statements for the year ended December 31, 2022, showing net profit for the Group of €1,547 million, as presented, and the transactions recorded therein and summarized in these reports.

THIRD RESOLUTION

Appropriation of earnings and setting of the dividend

The Shareholders' Meeting, voting in accordance with quorum and majority rules for Ordinary Shareholders' Meetings, approves the recommendations of the Board of Directors to appropriate the net profit for the year ended December 31, 2022 as follows:

•	Net profit for the year	€429,792,134.41
•	Funding of the legal reserve	€1,120,490.40
	i.e. a balance of:	€428,671,644.01
•	Retained earnings of previous years:	€6,048,793,649.95
	i.e. distributable earnings:	€6,477,465,293.96
•	allocated to:	
-	payment of a dividend of €3.25 per share	€564,141,867.25 ⁽¹⁾
-	retained earnings for the balance:	€5,913,323,426.71
	giving a total of:	€6,477,465,293.96

(1) The total amount of the distribution is calculated based on the number of shares ranking for dividends at December 31, 2022 and could therefore change if this number varies between January 1, 2023 and the ex-dividend date.

It should be noted that the dividend, set at €3.25 for each of the shares bearing dividend rights on January 1, 2023, will be fully eligible for the 40% tax rebate referred to in Article 158.3.2° of the French Tax Code (*Code général des impôts*) for private individuals tax-resident in France where an express, global and irrevocable election is made for taxation at the progressive income tax scale instead of application of the single flat-rate deduction.

The ex-dividend date will be May 30, 2023 and the dividend will be payable from June 1st, 2023. If, at the time of payment of the dividend, the number of treasury shares held by the Company has changed compared to that held on December 31, 2022, the fraction of the dividend relating to this variation will either increase or reduce retained earnings.

Pursuant to Article 243 *bis* of the French Tax Code, it is recalled that the following amounts were paid in respect of the past three fiscal years:

	Dividend distribution⁽¹⁾ (in euros)	Distributed income⁽²⁾ (in euros)	Dividend per share (in euros)
Fiscal year 2021	413,739,657.60	408,433,627.20	2.40
Fiscal year 2020	329,130,432.15	328,497,563.55	1.95
Fiscal year 2019	228,616,423.65	225,689,958.45	1.35

(1) Theoretical values calculated based on the number of shares bearing dividend rights on December 31 each year.

(2) Amounts effectively paid after adjusting the number of shares bearing dividend rights for any change in the number of treasury shares, the issuance of new shares and/or the cancellation of existing shares between January 1 and the ex-dividend date. In fiscal years 2018, 2019, 2021 and 2022 these amounts were only fully eligible for the 40% tax rebate referred to in Article 158.3.2° of the French Tax Code (Code général des impôts) when the beneficiary was a private individual tax-resident in France and had opted for taxation at the progressive income tax scale instead of application of the single flat-rate deduction.

Authorization of a share buyback program

The Shareholders' Meeting, voting in accordance with quorum and majority rules for Ordinary Shareholders' Meetings, and having read the Board of Directors' report, authorizes the Board of Directors, with the power of sub-delegation to the extent authorized by law and in accordance with Articles L. 225-210 *et seq.* and L. 22-10-62 *et seq.* of the French Commercial Code, to purchase or arrange the purchase of the Company's shares, particularly with a view to:

- the grant or sale of shares to employees and/or corporate officers (on the terms and by the methods provided by law), in particular with a view to the grant of free shares pursuant to the provisions of Articles L. 225-197-1 *et seq.* and L. 22-10-59 *et seq.* of the French Commercial Code, the grant or sale of shares to employees under the French statutory profit-sharing scheme or the implementation of any company or group savings plan (or similar plan) on the terms provided by law, in particular Articles L. 3332-1 *et seq.* of the French Labor Code, and generally, honoring all obligations relating to share option programs or other share grants to employees or corporate officers of the Company or a related company, or to permit the hedging of a structured employee share ownership plan by a bank, or entity controlled by a bank within the meaning of Article L. 233-3 of the French Commercial Code, acting at the Company's request; or
- the delivery of shares on the exercise of rights attached to securities granting access to the share capital by redemption, conversion, exchange, presentation of a warrant or any other means; or
- the cancellation of some or all of the shares purchased; or
- the delivery of shares (in exchange, as payment, or otherwise) in connection with acquisitions, mergers, demergers or asset-for-share exchanges; or
- the management of the secondary market or maintenance of the liquidity of the Capgemini share by an investment services provider under a liquidity contract that complies with market practices accepted by the *Autorité des marchés financiers* (AMF – the French Financial Markets Authority).

This program is also intended to enable the implementation of any market practice that may be permitted by the *Autorité des marchés financiers* (AMF – the French Financial Markets Authority) and more generally the carrying out of any transaction that complies with prevailing regulations. In such cases, the Company will inform its shareholders by means of a press release.

Purchases of the Company's own shares may be made such that, at the date of each purchase, the total number of shares acquired by the Company since the beginning of the buyback program (including the shares subject to the current purchase) does not exceed 10% of the shares comprising the Company's share capital at that date (including transactions impacting the share capital and performed after this Shareholders' Meeting), it being stipulated that (i) the number of shares purchased with a view to their retention or presentation in a merger, demerger or asset-for-share exchange transaction may not exceed 5% of the Company's share capital; and (ii) where the shares are repurchased to improve liquidity on the terms set out in the AMF general regulations, the number of shares taken into account in calculating the above 10% limit will be the number of shares purchased minus the number of shares resold during the authorization period. Pursuant to the law, the number of shares held at a given date may not exceed 10% of the Company's share capital at that date.

Acquisitions, sales and transfers of shares may be performed at any time other than during the period of a public offer for the Company's shares, subject to the limits authorized by prevailing laws and regulations, and by any means, and particularly on regulated markets, via a multilateral trading

facility or systematic internalizer or over the counter, including by block purchases or sales, by public offer for cash or shares or using options or other forward financial instruments traded on regulated markets, via a multilateral trading facility or systematic internalizer or over the counter, either directly or through an investment services provider, or in any other manner (with no limit on the portion of the share buyback program carried out by each of these means).

The maximum purchase price of shares purchased pursuant to this resolution will be €350 per share (or the equivalent at the same date in any other currency or currency unit established by reference to more than one currency). The Shareholders' Meeting delegates to the Board of Directors powers to adjust the aforementioned maximum purchase price in the event of a change in the par value of the share, a share capital increase by capitalizing reserves, a free share grant, a stock split or reverse stock split, a distribution of reserves or any other assets, a share capital redemption, or any other transaction impacting share capital, to take account of the impact of such transactions on the value of the shares.

The total amount allocated to the share buyback program authorized above may not exceed €6,070 million.

The Shareholders' Meeting confers full powers on the Board of Directors, with the power of sub-delegation to the extent authorized by law, to decide and implement this authorization and if necessary to specify the conditions and determine the terms thereof, to implement the share buyback program, and in particular to place stock market orders, enter into any agreement, allocate or reallocate purchased shares to desired objectives subject to applicable legal and regulatory conditions, set any terms and conditions that may be necessary to preserve the rights of holders of securities or other rights granting access to the share capital in accordance with legal and regulatory provisions and, where applicable, any contractual terms stipulating other cases where adjustment is necessary, to make declarations to the *Autorité des marchés financiers* (AMF – the French Financial Markets Authority) or any other competent authority, to accomplish all other formalities and generally do all that is necessary.

This authorization is granted for a period of eighteen months as from the date of this Shareholders' Meeting.

It supersedes from this date, in the amount of any unused portion, the authorization granted by the 18th resolution adopted by the Combined Shareholders' Meeting of May 19, 2022.

FOURTEENTH RESOLUTION

Authorization to the Board of Directors, for a period of eighteen months, to grant performance shares, existing or to be issued, to employees and corporate officers of the Company and its French and non-French subsidiaries, up to a maximum of 1.2% of the Company's share capital (with, in the case of shares to be issued, the waiver by shareholders of their pre-emptive subscription rights in favor of the beneficiaries of the grants)

In accordance with Articles L. 225-197- 1 *et seq.* and L. 22-10-59 *et seq.* of the French Commercial Code, the Shareholders' Meeting, voting in accordance with quorum and majority rules for Extraordinary Shareholders' Meetings, having read the Board of Directors' report and the Statutory auditors' special report:

1. authorizes the Board of Directors, with the power of sub-delegation to the extent authorized by law – subject to the attainment of the performance targets defined and implemented in accordance with this resolution and for a total number of shares not exceeding 1.2% of the share capital at the date of the decision (this maximum number of shares being referred to hereafter by the letter "N") – to grant shares of the Company (existing or to be issued), to employees of the Company and employees and corporate officers of its French and non-French subsidiaries related to the Company within the meaning of Article L. 225-197-2 of the French Commercial Code (the "Group"), it being stipulated that this maximum number of shares, existing or to be issued, does not take into account the number of additional shares that may be granted due to an adjustment to the number of shares initially granted following a transaction in the Company's share capital;

2. resolves that for up to a maximum of 10% of “N”, these performance shares may also be granted, in accordance with applicable laws, to the Executive Corporate Officers of the Company, it being stipulated that in this case, the Board of Directors will, in accordance with applicable laws, decide the portion of shares that must be held by each individual until the end of their term of office;
3. resolves that these performance shares will only vest at the end of a vesting period (the “Vesting Period”) of at least three years, it being stipulated that the Board of Directors may introduce, where applicable, a lock-in period following the vesting of the shares the duration of which may vary depending on the country of tax residence of the beneficiary; in those countries where a lock-in period is applied it will be of a minimum period of one year.

However, the shares will vest before the expiry of the above periods and may be freely sold in the event of the death or incapacity of the beneficiary, corresponding to a Category 2 or 3 disability in France, as defined in Article L. 341-4 of the French Social Security Code;

4. resolves, subject to the powers conferred on the Board of Directors by law and this resolution, that the exact number of shares vesting to all beneficiaries at the end of the Vesting Period, compared with the total number of shares (“Initial Grant”) indicated in the grant notice sent to beneficiaries will be equal to:
 - i. for 40 %, the number of shares of the Initial Grant multiplied by the percentage attainment of the chosen external performance target, it being stipulated that:
 - the performance target to be met in order for the shares to vest will be the performance of the Capgemini share measured over a minimum three-year period compared to the average performance, measured over the same period, of a basket containing at least five shares of listed companies operating in the same sector as the Group in a minimum of five countries in which the Group is firmly established (France, the United States, etc.),
 - this relative performance will be measured by comparing the stock market performance of the Capgemini share with the average share price performance of the basket over the same period according to objectives set by the Board of Directors (it being stipulated that no shares will vest in respect of shares subject to this external performance target, if, over the calculation reference period, the performance of the Capgemini share is less than 100% of the average performance of the basket measured over the same period);
 - ii. for 40%, the number of shares of the Initial Grant multiplied by the percentage attainment of the chosen internal financial performance target based on organic free cash flow, it being stipulated that:
 - the performance target to be met in order for the shares to vest will be the amount of audited and published organic free cash flow for the three-year cumulative period from January 1, 2023 to December 31, 2025, excluding Group payments to its defined benefit pension funds or its other post-employment defined benefit plans, it being understood that organic free cash flow is defined as cash flow from operations less acquisitions (net of disposals) of intangible assets and property, plant and equipment, adjusted for flows relating to the net interest cost (as presented in the consolidated statement of cash flow),
 - this relative performance will be measured according to objectives set by the Board of Directors;
 - iii. for 20%, the number of shares of the Initial Grant multiplied by the percentage attainment of the chosen Corporate Social and Environmental performance target based on Group objectives, it being stipulated that the performance target to be met in order for the shares to vest will be measured according to objectives set by the Board of Directors;
5. resolves that by exception, and for an amount not exceeding 15% of “N”, shares may be granted to employees of the Company and its French subsidiaries (within the meaning, particularly, of Article L. 22-10-60, paragraph 1, of the French Commercial Code) and non-French subsidiaries, excluding members of the Group Management team (the Group Executive Committee) without performance conditions;

6. takes due note that this authorization involves the waiver by shareholders of their pre-emptive subscription rights in favor of beneficiaries of performance shares if the grant concerns shares to be issued;
7. takes due note that, pursuant to the law, the Board of Directors has the power, by way of a duly reasoned decision made after this decision, to amend the performance conditions set out in paragraph 4 above and/or the weighting of said performance conditions when deemed appropriate;
8. gives powers to the Board of Directors to implement this authorization (with the power of sub-delegation to the extent authorized by law), and in particular to:
 - set the share allocation date,
 - draw up one or more list (s) of beneficiaries and the number of shares allocated to each beneficiary,
 - set the share allocation terms and conditions, including with respect to performance conditions,
 - determine whether the shares allocated for nil consideration are existing shares or shares to be issued and, where applicable, amend this choice before the vesting of shares,
 - decide, in the event that transactions are carried out before the shares vest that affect the Company's equity, whether to adjust the number of the shares granted in order to preserve the rights of the beneficiaries and, if so, to define the terms and conditions of such adjustment; it is stipulated that shares granted pursuant to these adjustments shall be considered granted on the same day as the shares initially granted,
 - perform, where the allocations concern shares to be issued, the necessary share capital increases by capitalization of reserves and/or additional paid-in capital of the Company when the shares ultimately vest, set the dates from which shares bear dividend rights, deduct from reserves and/or additional paid-in capital of the Company the amounts necessary to increase the legal reserve to 10% of the new share capital amount following these share capital increases and amend the bylaws accordingly,
 - carry out all formalities and, more generally, to do whatever is necessary;
9. takes due note that, in the event the Board of Directors uses this authorization, it will inform the Shareholders' Meeting each year of the grants performed pursuant to this resolution, in accordance with Article L. 225-197-4 of the French Commercial Code;
10. resolves that this authorization is granted for a period of eighteen months as from the date of this Shareholders' Meeting and supersedes from this date, in the amount of any unused portion, the delegation granted by the 28th resolution adopted by the Shareholders' Meeting of May 19, 2022.

FIFTEENTH RESOLUTION

Delegation of authority to the Board of Directors, for a period of eighteen months, to issue, with cancellation of pre-emptive subscription rights, ordinary shares and/or securities granting access to the Company's share capital to members of Capgemini group employee savings plans up to a maximum par value amount of €28 million and at a price set in accordance with the provisions of the French Labor Code

The Shareholders' Meeting, voting in accordance with quorum and majority rules for Extraordinary Shareholders' Meetings, having read the Board of Directors' report and the Statutory auditors' special report and in accordance with Articles L. 225-129-2, L. 22-10-49, L. 225-129-6, L. 225-138-1 and L. 228-91 *et seq.* of the French Commercial Code and Articles L. 3332-18 to L. 3332-24 of the French Labor Code:

1. delegates to the Board of Directors, with the power of sub-delegation to the extent authorized by law, the authority to decide a share capital increase with cancellation of pre-emptive subscription rights, on one or more occasions, in France or abroad, in the proportions and at the times it sees fit, in euros or in any other currency or currency unit established by reference to more than one currency, with or without a share premium, whether for valuable consideration or without consideration, by issuing (i) shares of the Company (excluding preference shares), and/or

(ii) securities governed by Articles L. 228-92 paragraph 1, L. 228-93 paragraphs 1 and 3 or L. 228-94 paragraph 2 of the French Commercial Code granting access, immediately or in the future, at any time or at fixed dates, by subscription, conversion, exchange, redemption, presentation of a warrant or any other means, to the share capital of the Company, reserved for members of one or more employee savings plans (or any other plan for whose members a share capital increase may be reserved on equivalent terms under Articles L. 3332-1 *et seq.* of the French Labor Code or any analogous law or regulation) implemented within a company or a group of French or non-French companies within the scope of the consolidated or combined financial statements of the Company pursuant to Article L. 3344-1 of the French Labor Code, it being further stipulated that this resolution may be used to implement leveraged schemes;

2. resolves to set the following limits on authorized share capital increases in the event of use by the Board of Directors of this delegation:
 - the maximum par value amount of share capital increases that may be carried out under this delegation is set at €28 million or the equivalent in any other currency or currency unit established by reference to more than one currency,
 - added to this ceiling will be the par value amount of any shares to be issued to preserve, in accordance with legal and regulatory provisions and, where applicable, any contractual terms stipulating other cases where adjustment is necessary, the rights of holders of securities or other rights granting access to the share capital,
 - in the case of a share capital increase by capitalizing additional paid-in capital, reserves, profits or any other amounts and granting free shares during the period of validity of this delegation, the above ceiling will be adjusted based on the ratio between the number of shares issued and outstanding before and after the transaction;
3. resolves that the issue price of the new shares or securities granting access to the share capital will be determined in accordance with the terms set out in Articles L. 3332-18 *et seq.* of the French Labor Code and will be at least equal to 80% of the Reference Price (as defined below), it being stipulated that the Shareholders' Meeting expressly authorizes the Board of Directors, or its delegate, if it deems it appropriate, to reduce or remove the aforementioned discount, subject to prevailing legal and regulatory limits, notably to take account of market practices or applicable legal or tax regimes in the countries of residence of the beneficiaries of the share capital increase; for the purposes of this paragraph the Reference Price refers to an average listed price of the Company's share on the Euronext Paris regulated market over the 20 trading days preceding the decision setting the subscription opening date for members of a company or group employee savings plan (or similar plan);
4. authorizes the Board of Directors to grant, without consideration, to the beneficiaries indicated above, in addition to shares or securities granting access to the share capital, shares or securities granting access to the share capital to be issued or already issued in full or partial substitution of the discount in the Reference Price and/or as an employer's contribution, it being stipulated that the benefit resulting from this grant may not exceed the applicable legal or regulatory limits;
5. resolves to waive in favor of the aforementioned beneficiaries the pre-emptive subscription rights of shareholders to the shares and securities issued pursuant to this delegation, said shareholders also waiving, in the event of the free grant to such beneficiaries of shares or securities granting access to the share capital, any rights to such shares or securities granting access to the share capital, including the portion of reserves, profits, or additional paid-in capital capitalized as a result of the free grant of securities on the basis of this resolution;
6. authorizes the Board of Directors, under the terms specified in this delegation, to sell shares as permitted under Article L. 3332-24 of the French Labor Code to members of a company or group employee savings plan (or similar plan), it being stipulated that the aggregate par value amount of shares sold at a discount to members of one or more of the employee savings plans covered by this resolution will count towards the ceilings mentioned in paragraph 2 of this resolution;
7. resolves that the Board of Directors, with the power of sub-delegation to the extent authorized by law, shall have full powers to implement this delegation, and in particular:

- decide the issue of shares and/or securities granting access, immediately or in the future, to the share capital of the Company or other companies,

- set the terms, where applicable, for the exercise of rights (rights to conversion, exchange or redemption, including the delivery of Company assets such as treasury shares or securities already issued by the Company, as the case may be) attached to shares or securities granting access to the share capital, and in particular set the date, which may be retroactive, from which the new shares will rank for dividend, and all other terms and conditions for the completion of the share capital increase,
- provide for the possibility of suspending the exercise of the rights attached to shares or securities granting access to the share capital in accordance with legal and regulatory provisions,
