## **DISCLAIMER**

This press release may contain forward-looking statements. Such statements may include projections, estimates, assumptions, statements regarding plans, objectives, intentions and/or expectations with respect to future financial results, events, operations and services and product development, as well as statements, regarding future performance or events. Forward-looking statements are generally identified by the words “expects”, “anticipates”, “believes”, “intends”, “estimates”, “plans”, “projects”, “may”, “would” “should” or the negatives of these terms and similar expressions. Although Cap Gemini’s management currently believes that the expectations reflected in such forward-looking statements are reasonable, investors are cautioned that forward-looking statements are subject to various risks and uncertainties (including without limitation risks identified in Cap Gemini’s Registration Document available on Cap Gemini’s website), because they relate to future events and depend on future circumstances that may or may not occur and may be different from those anticipated, many of which are difficult to predict and generally beyond the control of Cap Gemini. Actual results and developments may differ materially from those expressed in, implied by or projected by forward-looking statements. Forward-looking statements are not intended to and do not give any assurances or comfort as to future events or results. Other than as required by applicable law, Cap Gemini does not undertake any obligation to update or revise any forward-looking statement.

This press release does not contain or constitute an offer of securities for sale or an invitation or inducement to invest in securities in France, the United States or any other jurisdiction
